

Burcin R. Yildiz

About

I'm a **Graphic Designer** based in Istanbul, specializing in visual communication, branding, and user experience.

I started as a **Social Media Designer** and expanded into **brand identity, post-production, and color specialization**, working across **marketing, UI/UX, and brand identity design**. Having worked in dynamic environments, I've developed a versatile skill set, adapting quickly and providing efficient solutions in fast-paced projects.

Curious, obsessive, and versatile — I thrive on solving complex design challenges and crafting impactful visual experiences.
